# **GM MONITORING REPORT**

<u>GM Policy B5: Treatment of Customers.</u> **GM Anne Carter** reported non-compliance with two aspects of this policy: increasing customer count and conducting a customer satisfaction survey every 2 year. All submitted reports included detailed interpretation, operational definitions, and supporting data.

Anne noted that customer count fluctuations are opposite of pre-pandemic trends when sales previously increased during fall and winter months. She expects to see a return to pre-pandemic customer counts as recent efforts to encourage shopping and joining the co-op become more well known. Although there wasn't capacity in 2021 to conduct an abbreviated customer satisfaction study, Anne plans to complete such a survey later this year.

The Board discussed at length the relevance of customer counts to satisfaction and whether it's an appropriate metric for this policy addressing customer treatment. Directors focused on the possibility of a survey, using the 2018 data as a baseline. <u>The MFC Directors did not accept GM Carter's B5 monitoring report. They requested that she conduct a customer satisfaction survey and resubmit her report in October, 2022.</u>

# **OLD/RECURRING BUSINESS**

#### Committee Reports

- Finance: **Treasurer Roger Noyes** reported that the committee talked about sales, customer counts, and ongoing hiring/labor challenges.
- Owner Engagement: Co-Chair Sarah Calhoun reported on plans for the Good Food Festival & Annual Meeting. Sarah will send Directors shift options for the day, plus questions and talking points for guiding the discussions.

# Select Positive Change Recipient for CCF Donation

Last month the Board was given the 2021 Positive Change recipient list. After reviewing the 2022 list and a brief discussion, *Directors unanimously agreed to donate MFC's CCF interest to the Children's Advocacy Center.* 

#### **Board Training Webinars**

**President Kellie Hill** encouraged Directors to review the Columinate website for upcoming opportunities.

### **NEW BUSINESS**

### Additional Training with Todd

**President Hill** noted potential interest and that having Todd give the Board a specific, in-person training is in the Board's budget. Directors discussed the pros and cons compared to the online Columinate trainings. With a topic TBD, July was chosen as a possibility for an in-person Board-only training.

### In-person Meeting

**President Hill** polled the Board who were all in favor of meeting in person. May's BOD meeting will be held inperson in The Café and future meeting plans will be evaluated then.

### Agenda Items

**President Hill** followed up on a previous discussion with an information piece about types of Agenda items in case clarification would be helpful. No changes to agenda item types were deemed necessary at this time.

#### **Board Self Evaluation**

**President Hill** noted that the Board has not evaluated itself for many years and sought input. Board effectiveness including standards and how to measure could be a topic for a future training.

#### Farewell to Barry

**President Hill** and Directors thanked **Barry Robino** for his service on the Board and wished him well in his full retirement.

# **EXECUTIVE SESSION**

At 7:08 p.m. the Board moved into Executive Session.

# ADJOURNMENT
